## Community Extras Shopping List

### Introduction

As part of the Community Highways proposal, community groups and parishes can make requests for extra highway maintenance items to be added/undertaken in their area which they will pay for themselves. The shopping list below offers an itemised schedule which can be filled in and submitted to the East Sussex Highways Team at any time during the course of the year for items over and above the standard highway maintenance contract services.

Where applicable we have showed the cost of an item, where there is no cost it is dependant on numbers requested and will be provided once submission is made.

On completion of this form please submit by email to [contracts.management@eastsussex.gov.uk](mailto:contracts.management@eastsussex.gov.uk) or send by post to Community Highways, East Sussex Highways, Ringmer Depot, Ringmer, East Sussex, BN8 5NP.

<b>Name of Community Group</b>	
<b>Contact Name and Details</b>
