

Highways Act 1980

Section 171 Application to place Building Materials on the Highway

Application must be made 10 days prior to building materials being placed on the highway

Is this request to renew a current licence?		Previous number	
Application is hereby made for a licence to place building materials on the highway at the following site			
Outside premises known as: (including geo-location)			
Road name (including Road Number if known)			
Town			
The licence is required from	[date]	to	[date] [maximum 14 days]
The items being placed on the highway are			
<p>I understand that this is an application only and that its submission by me does not confer permission to place building materials on the highway</p>			
<ol style="list-style-type: none"> I agree to make good any damage caused to the highway by the deposit of these items, to the satisfaction of the Highway Authority and I will guarantee these repairs for two years. I agree to fully and completely release and indemnify the Council from and against all actions suits, claims, costs, expenses, damages and demands whatsoever arising out of or in connection with the deposit of these materials. I have the required £10 million public liability insurance to cover any such claim by the authority and/or the public. I agree to pay the applicable costs prior to the licence being processed (please see the current ESH fee structure on https://www.eastsussexhighways.com/application-forms). This fee is non-refundable once the licence has been issued.
