

Rural Grass Cutting Schedule – 2022

Last updated 21/06/22

This schedule shows current scheduled dates for rural grass cutting. Please note that these dates can change due to weather and will be updated on a weekly basis.

All rural roads in East Sussex have a standard of 2 cuts per year. Please note that rural roads with wildflower verges on them will not be cut until the Autumn.

All Parishes **highlighted red will not be having a first cut**, as they are participating in a one cut trial, but will still require visibility cuts within the Parish
